Rotary's wheel Emblem:

A wheel has been the symbol of Rotary since our earliest days. The first design was made by Chicago Rotarian Montague Bear, an engraver who drew a simple wagon wheel, with a few lines to show dust and motion. The wheel was said to illustrate "Civilization and Movement." Most of the early clubs had some form of wagon wheel on their publications and letterheads. Finally, in 1922, it was decided that all Rotary clubs should adopt a single design as the exclusive emblem of Rotarians. Thus, in 1923, the present gear wheel, with 24 cogs and six spokes was adopted by the "Rotary International Association." A group of engineers advised that the geared wheel was mechanically unsound and would not work without a "keyway" in the center of the gear to attach it to a power shaft. So, in 1923 the keyway was added and the design which we now know was formally adopted as the official Rotary International emblem. From - ABCs of Rotary.

Cohoes Housing Authority

Charles Patricelli and Marshal Barrett

Charles Patricelli, Executive Director of the Cohoes Housing Authority, and the Watervliet Housing Authority, spoke to our club about his background, the service that housing authorities provide and the people who live in them.

Mr. Patricelli has lived his entire live in Watervliet. He is an Eagle Scout and graduated from Siena College in 1976. He began working for the Watervliet Housing Authority in 1982. Over the years he has administered over 20 million dollars in grants and services to many tenants.

Several years ago the Watervliet Hosing Authority began providing PCs to tenants. PCs were donated, and staff would refurbish them, after which they would be given to any tenant who wanted them at no cost. Today, all the apartments in the facilities in Watervliet are wired for Internet access.

For several years, the Watervliet Housing Authority has been administering a TV station. It operates 24 x 7 and broadcasts news about local events, churches and non for profit organizations. They also show movies for tenants, and provide public service announcements.

In February 2009, the board of the Cohoes Housing Authority approached Mr. Patricelli about managing the Cohoes Housing Authority. In February 2010, he began managing the Cohoes Housing Authority, as well as the Watervliet Housing Authority. Mr. Patricelli stated that his goal is to provide many of the services that they provide to tenants in Watervliet, to the tenants in Cohoes. He explained however that it will take time to do it and he needs help to do it.

Mr. Patricelli explained that they many great tenants live in housing authorities, and that many of the apartments are kept beautifully. Tenants are treated fairly, consistently and problems dealt with quickly. The Cohoes Housing Authority has 311 apartments, and receives 45 to 50 requests for them each month. There is more demand for apartments than the number available.

Charles Patricelli gave Rotary club members calendars from the Watervliet Housing Authority, and a newsletter from the Cohoes Housing Authority.
