Making a World of Difference:

Rotary Youth Exchange students spend up to a year living with a few host families and attending school in a different country. They learn a new way of living, a great deal about themselves, and maybe even a new language. These students are ambassadors, teaching people they meet about our country, culture, and ideas.

More than 8,000 young people each year have experiences like these through Rotary Youth Exchange and help bring the world closer – and make some good friends in the process.

Next Weeks Program: Andy Kitzman, National Park Service
