## The District Assembly:

In view of the annual turnover of Rotary leadership each year, special effort is required to provide the 27,000 club leaders with appropriate instruction for the tasks they will assume. The annual district assembly is the major leadership training event in each Rotary district of the world.

The district assembly offers motivation, inspiration, Rotary information and new ideas for club officers, directors and key committee chairmen of each club. Some of the most experienced district leaders conduct informative discussions on all phases of Rotary administration and service projects. The assembly gives all participants valuable new ideas to make their club more effective and interesting. Usually eight to ten delegates from each club are invited to attend the training session.

Another important feature of a district assembly is a review by the incoming district governor of the program theme and emphasis of the new RI president for the coming year. District goals and objects are also described and plans are developed for their implementation.

The success of each Rotary club is frequently determined by the club's full representation and participation in the annual district assembly.
