- Attend each club assembly after the district assembly and during the governor's official visit.
- Keep the governor updated on clubs and suggesting ways to enhance their development.
- Encourage clubs to follow through on the governor's requests and recommendations.
- Monitor each club's progress toward its goals.
- Coordinate training at the club level with the appropriate district committee.
- Identify and encourage the development of future district leaders.
- Attend and promote attendance at the district conference and other district meetings.
- Participate in Rotary Foundation programs, annual and special giving events, and other assignments as necessary.

## **Erie Canal National Heritage Corridor**

**Andy Kitzmann and Colin Demers** 

Andy Kitzmann, a Project Manger for the National Park Service, spoke to our club regarding the Erie Canal National Heritage Corridor. The <u>Erie Canalway National Heritage Corridor</u> encompasses New York's canal system and the communities that grew along its shores. It includes over 500 miles in upstate New York.

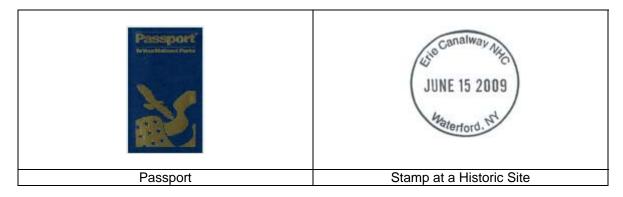

**Erie Canal National Heritage Corridor** 

It is one of forty-nine National Heritage Areas (NHA) in the United States. NHAs are created by the U.S. Congress. They are areas designated for their <u>national significance</u>. One of the primary objectives of NHAs is to develop relationships with communities, museums, and historical associations within their boundaries. This brings the resources of the National Parks Service to these organizations. The National Park Service (NPS) provides technical assistance, planning and limited financial assistance to National Heritage Areas. The NPS is a partner and advisor, leaving decision-making authority in the hands of local people and organizations.

One of the projects in the Erie Canal National Heritage Corridor is the documentation of over 300 places on the Barge Canal for entry into the <u>National Register of Historic Places</u>.

In 2009, the Erie Canalway National Heritage Corridor Commission awarded the Erie Canalway Heritage Award of Excellence to the <u>Village of Brockport</u> for its outstanding approach to, and successful demonstration of, heritage preservation and community revitalization.

Another program is Explore: Passport to Your National Parks. You receive a passport which

you get stamped at each cultural heritage site you visit.

Grants and other funding are also available to communities and organizations in the Erie Canalway. Organizations can apply for <u>grant opportunities and limited funding for projects</u> that help to achieve the goals set forth in the Preservation and Management Plan.

Andy Kitzmann concluded by explaining that NHAs build relationships and capacity between the National Parks Service and local communities and organizations within a corridor and among local communities and organizations within a corridor.
