What Installation is All About - Bob Van Alstine

Installation of officers and board members of Rotary clubs occurs near the end of the June 30th, Rotary year. Each Rotary club should hold an [officer installation meeting](#) at the beginning of each Rotary year, to give club officers and members an opportunity to renew and reaffirm their commitment to the objectives of RI.

This is the time when Rotarians and guests assemble to demonstrate their support for the officers and board members of the past year, and for incoming officers and members for the forthcoming year.

Installation is also about recognition and giving thanks. The outgoing president gives thanks and recognition to his (her) officers and board members for their support during this (her) term of office.

The incoming president uses the time to provide an overview of what he (she) wants to accomplish during their term of office.

Incoming President's Message:

President Keith credited much of his prior experience to the leadership as presidents of Colin Demers and Marshal Barrett. He explained that Rotary International is rethinking many of its positions and adapting to the changing times. Likewise, our club must do the same.

For 2010-2011, we must focus on our members and the community. For example, when a member cannot attend a weekly meeting they should still be involved through other venues. We must also be more visible through community service projects.

Graduating seniors for Cohoes High School, who receive the annual Frank Hines Memorial Scholarship Award, should be able to look to the Rotary Club of Cohoes as a place where they want to be in the future.

President Keith concluded his remarks by thanking Marshal Barrett again for his leadership, and commitment in attending weekly meetings.

Remarks of Outgoing President - Marshall Barrett:

Former president Marshall thanked the board and officers for their dedication and hard work in making this year a success.
