Happy 108th Birthday to Rotary International

By Melissa Ward

What started as a small service organization in Chicago has grown to over 1.2 million members worldwide dedicated to the support and service of mankind in all aspects of life. Whether we are providing clean drinking water, helping to rebuild a town, providing a safe environment and healthy food for our world citizens, or simply cleaning up a park, the impact that we as Rotarians have had on our world is unmistakable. This year one of RI's greatest accomplishments has been in our work to eradicate Polio. Worldwide, 222 polio cases were reported in 2012, a little more than one-third of the 650 cases reported in 2011. India marked its second year without polio on January 13. This is something that we are all a part of and should be extremely proud. We still have a ways to go to meet our goal, but we are getting there step by step. If your club has not yet participated in the mission to End Polio, I ask you to consider doing so.

In addition - we are celebrating a milestone of our own. The [Albany Rotary Club](#) is celebrating 100 years of service on April 19th, 2013 at Taste in Downtown Albany. The Albany Rotary club gave birth to our district. There is a lot of history in our little corner of the world and we will celebrate and share that history on April 19th. I hope you can join us.

- We conclude each weekly meeting with recitation of The 4 Way Test, led by Byron Moak:

The 4-Way Test

The 4-Way Test "Of the things we think, say or do":

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"
