**Good News/Bad News:**

**Mike Brooks** was happy to be at the meeting, happy for the political season, and happy about Sawyer Fredericks' success on The Voice.

**Stephanie Heslin** was sad that the 17 year old girl who was killed in a local hiking accident was the daughter of one of her employees. She was happy that her patio furniture arrived.

**Chris Madden** thanked everyone for their help with the Cayuga Plaza clean-up and for manning the water table at the Mastodon Run.

**Bev Signoracci** was happy to have been in Florida for Mother's Day but sad that she was sick and had to go to the Urgent Care Center.

**Bob Van Alstine** was happy to be attending the District Conference this weekend.

**Jack Madden** was happy to have spent Mother's Day with his daughter.

**Curtis Hovey** reminded everyone to arrive at the Community Center at around 3:30 pm for the Giffy's Barbecue. He also asked everyone to continue to sell tickets. We need to sell 90 more tickets. He was happy about his daughter Mya's time running the 5K in the Mastodon Run.

**Ed Tremblay** was happy for a successful Mastodon Run. He and Curtis volunteered at other places in the race other than the Rotary water table. He was proud of his grandson for running in three different races last week.

**Marshall Barrett** thanked everyone for their volunteer efforts. They had a great time manning the water table.

**Dave Mitola** was sad that his wife's niece who has Cystic Fibrosis is not doing well. He thanked everyone for their help over the weekend. He was sad that the Yankees lost but they are still in first place.

**Club Business:** The Rotary Giffy's Barbecue will be held May 15 at the Cohoes Community Center. Sell, sell, sell tickets.

Ed Tremblay formally inducted Stephanie Heslin into the club. Welcome Stephanie!

## SONG

### If You're Happy and You Know It

If you're happy and you know it, clap your hands!

If you're happy and you know it, clap your hands!

If you're happy and you know it, then your face will surely show it;

If you're happy and you know it, clap your hands!
