Dr. Fox was happy that not only was he the guest speaker but that the meeting counts as a make-up for him.

Mike Brooks was happy to be at the meeting and he thanked Ed Tremblay for bringing him on time. He wished his daughter-in-law Laura a happy birthday. He was happy that his house is back on the market for sale.

Linda Tremblay was happy that she and her granddaughter Addison were able to attend today's meeting.

Dave Mitola was happy that Dr. Fox was able to join us today. He paid for the Yankees win over the Orioles.

Marshall Barrett was happy to welcome Dr. Fox.

Club Business: The Century House is raising the cost of lunch for the Rotary meetings an additional \$2.00. The club will pay the difference until the Membership Committee has a chance to meet and make recommendations to the Board.

The District will be honoring Rotarians of the Year on August 13, 2015 at 6:00 PM at the Valley Cats Game. There will be special mention of Rotarians during the game. Be there to wish them well and enjoy a game of baseball. Bring the kids, it is fun for all. Joseph L. Bruno Stadium is located on the campus of Hudson Valley Community College at 80 Vandenburg Avenue, Troy, NY.

Program: Dr. Robert Fox from Fox Vision Development Center spoke about how many kinds of vision problems reveal themselves most easily (especially in children) in behavior, posture and attitude.
