Here it is, another Rotary year. What is your plan for an activity this year? Is it like the past year? Were you happy with your contribution to your community with our Rotary projects? If so, great; if not, how are you going to change how you will participate in club activities to be more beneficial to your community?

Don't wait for someone else to make the change. All change starts with you. So, let's make a difference. We lit up the world last year. "Our time is now. It will never come again. *Be A Gift To The World.* Have an idea? Please let me know and I will pass it on to the entire district.

SONG

In the Good Old Summertime

In the good old summertime
In the good old summertime
Strolling through the shady lane
With your baby mine

You hold her hand and she holds yours
And that's a very good sign
That she's your tootsey wootsey
In the good old summertime.
