## THE ROTARY FOUNDATION

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Foundation is a not-for-profit corporation supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

Every amount contributed to The Rotary Foundation is spent in support of humanitarian, educational, and cultural programs and their operations. Clubs and districts apply for and receive Foundation grants to carry out worthy projects worldwide.

## END POLIO

Rotary has been working to eradicate polio for more than 35 years, and we've made incredible progress in the fight to rid the world of it forever.

As a founding partner of the [Global Polio Eradication Initiative](#), we've helped to reduced polio cases by more than 99.9 percent.

It's crucial to eradicate polio from the last two countries where it remains endemic and to keep other countries polio-free.

If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.
