Mike Brooks read some words of wisdom.

Dave Havnen was happy to see that the Moderna Booster shot for Covid 19 is available. He was sad that energy costs will be going up 30%.

Bob Van Alstine was working on a project for church. Someone in the group was exposed to someone who had Covid. Fortunately, the woman who was exposed to Covid got tested and she was negative.

Roderick Sipe was happy to have been the visiting financial advisor at a school. He addressed a business class for 11th and 12th graders as part of their investing curriculum.
