Good News/Bad News:

Mike Brooks read some words of wisdom.

Byron Moak commented that he loved Ed and Linda Tremblay's red geraniums that are still in bloom at their home. Today (October 12) was originally Columbus Day. Byron went to the doctor for a physical. He is doing well. He is still doing physical therapy for his shoulder. He ate at CP's restaurant and country store in Hagaman and had ice cream at Wemple & Edick's in Johnstown. Thursday Byron will be attending the retired teacher's lunch in Averill Park and Saturday he will be attending events for the Masons.

Bob Van Alstine is healing well after cutting his toes twice.

Dave Havnen complimented Ed and Linda Tremblay for the fundraiser held in their yard to benefit the Cohoes Senior Center. He thought it was a great event and was impressed with the amount of money raised. His bad news was that he had to get an injection in his eye later in the afternoon.

Bill Sage was happy for the sunny day, but it looks like rain for tomorrow.

Ken Rose was happy to be back at a Rotary meeting after being absent for a few years.

Ed Tremblay was looking forward to the 11th Cohoes Artist Showcase to be held at A Space for Art on Remsen Street. The event will be held October 15-16. There will be art from 32 artists on display.

Linda Tremblay was happy for the lovely weekend she and Ed had at the Sagamore in Lake George.

Club Business:

The City of Cohoes/Cohoes Rotary Halloween Party will be held on Friday, October 28.

Volunteers are needed to staff the party.

There has been a change in location for the party. It will be held in Canal Square, not the Senior Center. Gently used coats can be donated for the Coat Collection Drive. People will be able to shop for coats (for free) at LifePath at Cohoes Senior Center October 21-22. The ornaments and mugs for the holiday fundraiser have been ordered. The design is the 1968 Cohoes High School. The first raffle will be a Thanksgiving raffle. Tickets will be distributed to members.

Rotary International President Jennifer Jones imagines a Rotary where members act to make their dreams become reality and make the most of their club experiences. During her year, Jones will focus on four presidential initiatives that Imagine Rotary: advancing our commitment to Diversity, Equity, and Inclusion (DEI); creating a welcoming club experience; empowering girls; and expanding our reach.
