The 4-Way Test of the things we think,
say and do:

- Is it the Truth?
- Is it Fair to all concerned?
- Will it build Goodwill and Better Friendships?

Good News/Bad News

Mike Brooks read some words of wisdom.

Byron Moak's brother-in-law was hospitalized for a week. During his hospital stay both he and Byron's sister contracted Covid. They are doing better now. Byron is happy we did not get more snow than we did. We are one third of the way through winter. It will be Groundhog's day in two weeks.

Dave Havnen is enjoying his new car. He is not liking the freezing cold weather.

Ken Rose had a good week. He went to his cardiologist. His heart is good. He thinks that a little less snow would be good.

Bill Sage was in a car accident. He is still driving a rental car. He is hoping the insurance company will total his car so he can get a new one.

Linda Tremblay said that she and Ed had a nice trip to Myrtle Beach. They had a lovely dinner on their anniversary. However, the last day they were in Myrtle Beach they were confined to their hotel because the area was under a tornado warning.

Ed Tremblay reported that the Cohoes Junior Drama Club production of Annie Jr. was amazing. There were 120 elementary and middle school kids who were in the production or part of the production crew. The bad news is that Ed started PT today for the tendon in his foot.

Chuck Ries reported that he had no heat at his house. The cost of the part exceeded the cost of labor to repair it. Then his microwave broke. That is now repaired. Chuck received a call from the wife of a fraternity brother to let him know her husband passed away.

Club Business

Cohoes Rotary will be donating \$250 to Spindle City Vineyard Church for their portion of the ornament sale. Since there are so many ornaments left, the club will donate some to the church to use at their own discretion. The Valentine's Day raffle tickets were distributed at the meeting. They will be mailed to those people not in attendance. The winner will be drawn on Valentine's Day.
