The 4-Way Test of the things we think,
say and do:

- Is it the Truth?
- Is it Fair to all concerned?
- Will it build Goodwill and Better Friendships?
- Will it be Beneficial to all concerned?

Good News/Bad News

Mike Brooks read some words of wisdom.

Byron Moak does not like the weather. Temperatures are well above average. Byron visited the Plattsburgh Rotary Club to see his friend installed as President. They have 118 members both American and Canadian. Their card raffle is worth over \$2,000.

Bob Van Alstine watched the thunderstorm last night. Fortunately, there was no damage at his house. Bob had a good lunch at the Ripe Tomato with former coworkers.

Dave Havnen found yesterday's heat oppressive. Dave lost power last night.

Ken Rose spent the morning at doctor's appointments. All reports were good.

Bill Sage was happy to be at the meeting. He has been busy with work and travel for graduations. His grandson who graduated from Penn State got a job in Delaware with CBS news. Bill does not like the hot weather.

Linda Tremblay said that her granddaughter Addison had a great week at Beaver Cross camp. At the end of August, she and her family will be going to Disneyland in California.

Ed Tremblay reported that the Cohoes Library had a successful Comicon, and the Connect Center for Youth had a successful Tacos for Life event.

Club Business:

Linda Tremblay submitted the grant application to CNY Rotary for year 2024-25 and submitted the final report to District 7190 for the District grant for 2023-24.
