Dear Rotary Club of Cohoes:

I am writing to send a great big thank you for your efforts in assisting a Harmony Hill family this holiday season. You truly went above and beyond to make this year extra special for one of our families. When the family received their presents they were overwhelmed with your generosity and they truly became speechless.

We are so lucky here at Harmony Hill School to have your continued support each year. The past few years have been very difficult for many of our families and your assistance has truly been a blessing. I know that without your support we would not have been able to help as many families during these difficult times.

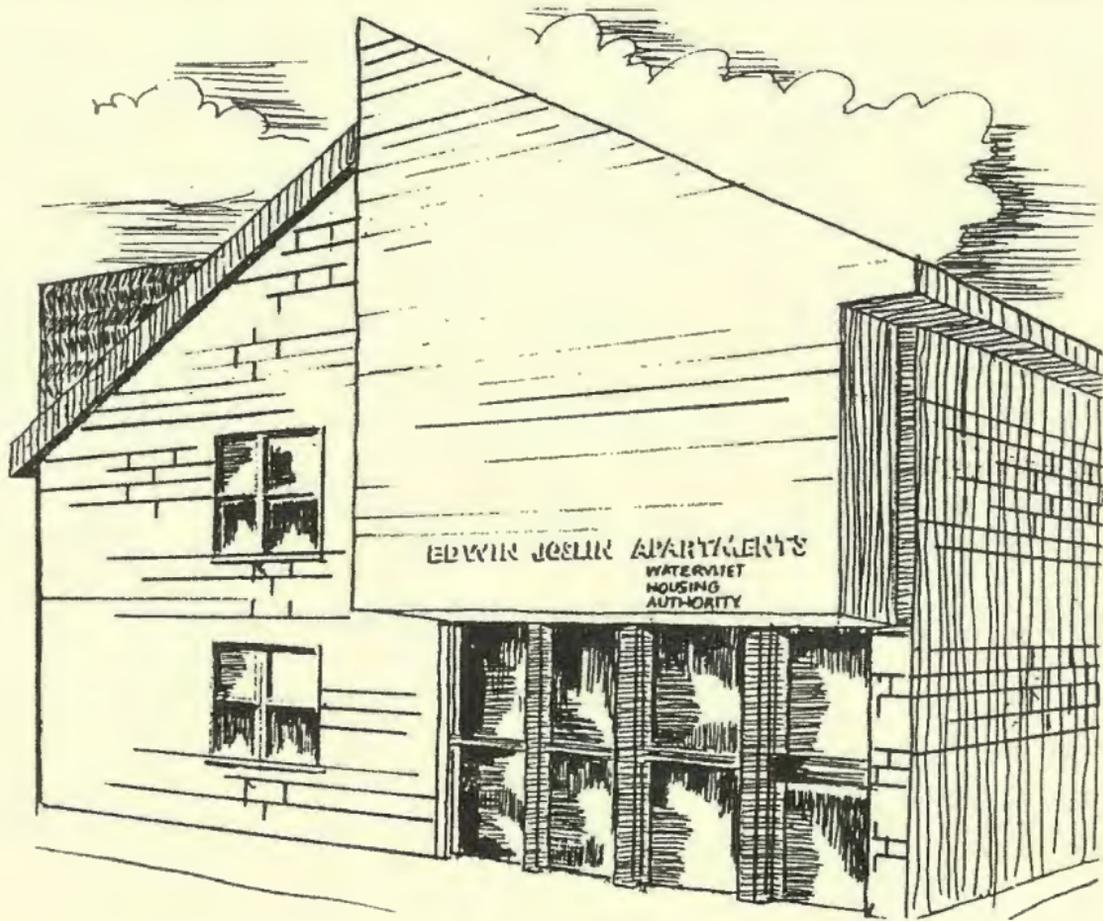

It is with deep appreciation and a sincere thank you that I wish all of you and your families a Happy New Year!

Sincerely,

Dear Rotary Club of Cohoes Members,  
Dear LLS Supporter,

Thank you so much for supporting Bo's TKO: Fighting for a Cure, my Woman of the Year fundraising campaign for the Leukemia and Lymphoma Society. Your donation will help fund lifesaving cancer research and services for patients, bringing help and hope to thousands of people battling blood cancers.

As you know, I've been involved with some pretty amazing projects over the years, but meeting the local families who are currently fighting blood cancers and standing along side of them is truly life changing.

Words cannot express how much I appreciate your generous donation to this amazing cause. Your encouragement means so much as I continue on this incredible journey, raising necessary funds to help save lives.

Dear Friend of Cohoes:

On June 6, 2014, the 13<sup>th</sup> Annual Cohoes Mayor's Cup was held at the Van Schaick Country Club. We would like to express our sincere gratitude for all your support in making this event so successful.

The Cohoes Community Center justifies their mission by using the collected funds to meet the recreational, social and child care needs of Cohoes and the Capital Region. Your support every year is critical in financially assisting this fine recreation and child care center.

The financial help from the corporate sponsors, ad takers and tee sign purchases was incredible and a very welcome experience in any fund raising event. Also the response of the corporate sponsors and the many businesses, organizations and individuals golfers that contributed prizes and money were of great value to our financial goal.

**Thank You!** From Mayor George Primeau, and all the City of Cohoes Administration and staff and also Curtis Hovey, Executive Director, Board of Directors and Staff of the Cohoes Community Center.

Sincerely,

MADDEN

Perhaps you sent a lovely  
card,  
or sat quietly in a chair,  
Perhaps you sent a floral  
piece,  
If so we saw it there  
Perhaps you spoke the  
kindest words  
As any friend could say;  
Perhaps you were not there  
at all,  
Just thought of us that day,  
Whatever you did to  
console our hearts,  
We thank you so much  
whatever the part.
