Dear Friends at the Rotary Club of Cohoes,

Thank you for joining The Salvation Army as a volunteer bell ringer for the 2016 Christmas holiday season. I am delighted you came back to help us once again!

I am pleased to share that you, personally, raised \$415 for your efforts. Overall, The Albany Salvation Army raised a total of \$149,700, which provides necessary funds to support our programs and services throughout the year. At Christmastime alone, we served nearly 200 families with food and toys. Moreover, that need is increasing every year. In short, we could not do this good work without you. Your help is appreciated.

I am also enclosing information about the many other ways to be involved during the year. As you can see, we have many opportunities to get involved, a little bit or in a bigger way. It is up to you! If you are interested in continuing to help others by *Doing the Most Good*, please let me know. My business card is enclosed for your convenience.

I hope our paths cross again, beyond the Christmas season. We are always here, working to serve God by helping others.

With deep gratitude,

Michele Brumsey
